

I oppose loosening the rules designed to promote and protect diversity of media ownership. These rules were adopted to ensure that the public would receive a diverse range of viewpoints from the media, and not simply the opinions of a handful of media conglomerates. The cable ownership

cap is a crucial element of our democratic media, and it should not be weakened.

I for one will not support a non-democratic media. We need diversity and need strong independent filmmakers to make a difference and allow the united states to be strong and feel that it is worth something. Together we must unite with our differneces. If only a few companies own the media this freedom will be lost and America will no longer be beautiful. It will be a dictatorship of closemindedness and homogeny!
